WARRANTY EXCLUSIONS

This warranty does not apply to batteries that break or fail due to abuse or neglect such as:

- Incorrect or under specified battery type fitted to vehicle/application.
- Charge system problem/incorrect charging creating an over-charge or under-charge situation.
- Prolonged storage of the car or very minimal use.
- Deep discharge applications [heavy accessory loads etc].
- Electrical faults, Shorts, Excessive loads and loose wiring .
- Damage to the battery caused by the consumer or other in-car and/or application fault.
- Any battery modifications such as acid additives, lead terminal changes, or any other contaminates.

As per Australian Consumer Law if the battery usage is not for personal, domestic or household use, then Federal Batteries Pty Ltd will not be responsible or liable for any consequential or incidental expense or loss. To verify a warranty claim, the battery must be fully charged prior to adjudication. A flat [discharged] or sulphated battery is not considered to be a manufacturing defect and is not covered under this warranty. If the battery fails during the warranty period, you can return the battery to the place of purchase with your original purchase receipt. The battery will then be tested as per Federal Batteries Pty Ltd Test Procedure. You must bear any expense you may incur in making the claim. The warranty is provided by Federal Batteries Pty Ltd 16 South Street Rydalmere NSW 2116. Contact No. 1300 133 980 or www.federalbatteries.com.au for full terms and conditions
